

Inspired exteriors are in the groove.

TRUE DECKING DISTINCTION JUST GOT EASIER WITH ZURI® GROOVED BOARDS.

Zuri® Premium Decking by Royal® is well known for the low-maintenance and aesthetically incomparable outdoor environment it creates. It's newly engineered grooved boards make creating that environment even easier. Screws are pre-threaded, so they install faster. Plus, they create tighter seams between the deck boards for an even more sophisticated presence. Our new boards come in a variety of perfectly complementary colors.

- Tighter seams for a more elegant look - 3/32" with an option for a 3/16" gap
- Zuri trimboards also grooved
- Available in 5/4" nominal x 5-1/2" wide, 12', 16' and 20' lengths
